DEPARTMENT OF THE AIR FORCE

WASHINGTON

5411

OFFICE OF THE SECRETARY

6 July 1964

TO: Director, (C)NPIC
Asst for P&D/NPIC *JWC*

FROM: Mr. Myron W. Krueger

The enclosed data (Itek proprietary) were given to me by [REDACTED]. He asked that I give him my comments on the proposals and also asked me to solicit (informally) any comments you may have.

25X1A

Question. Do you envision any data handling problems in handling 1000 L/mm materials? (I anticipate your answer.)

Your comments regarding funding of development in non-silver halides with Itek, as proposed, is requested.

Please return the two booklets in the near future.

Myron W. Krueger
